

ACTION STATIONS

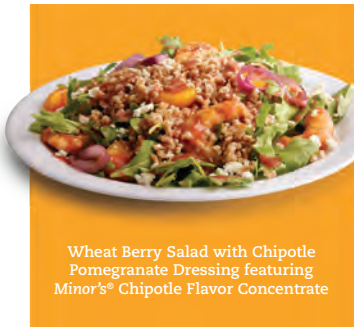

> A FRESH TAKE ON SALAD

Salads aren't just lettuce anymore. As healthy eating gains popularity, you can dazzle customers of all types with a Salad Station that redefines the salad bowl. Give guests a reason to return with a rotation of mixed salads, seasonal local produce, super foods, ancient grains, protein choices, and customizable dressings.

> FEEL-GOOD FLAVOR

Nestlé Professional products, such as Minor's® Flavor Concentrates, allow you to create flavorful standout dressings with recipe ideas customers will feel great about choosing.

Wheat Berry Salad with Chipotle Pomegranate Dressing featuring Minor's® Chipotle Flavor Concentrate

> MEET the DEMAND

> Variety

Provide endless unique options with a range of protein choices, dressings and toppings

> Better-for-you-options

Allow customers to create meals that are healthful, guilt-free and delicious

> On-Trend Ingredients & Flavors

Feature ancient grains, local vegetables, and popular flavor combinations

> Vegetarian

Create meatless options with the addition of grains or other protein-packed toppings

Program Support

For recipes and help setting up your action station, including an order guide and menu planning calendar, contact a Nestlé Professional® sales representative.

STATIC CLING

COUNTER CARD

POSTER

> SERVE with STYLE

Rotate themed action station ideas as often as you wish with the help of the provided Nestlé Professional® menu planning calendar. Feature one theme or many. Serve it the way it best serves you.

Self-Serve

Build-your-own stations allow guests to marry new flavors and toppings with familiar carriers and ingredients—for a unique grab-and-go experience.

Attended Display

Salad combinations are prepared in front of customers to enhance the experience while a variety of greens, grains and flavorful dressings offer the freedom of customization.

> FLAVORS with EVERY FORKFUL
