

BE PREPARED

with NESTLÉ PROFESSIONAL PRODUCTS

In this disruptive period for our industry, we are here to support you with essential food and beverage products, including shelf-stable and frozen ready-to-heat products, specifically relevant to provide operational convenience for the following needs and more:

- Labor constraints
- Speed in Preparation
- Downsized Menus
- Ready-to-eat
- Ready-to-heat
- Take-Out
- Drive-Through
- Delivery
- Food Exchange
- Grab & Go
- Single-Serve
- Pre-packaged
- Meal kits
- Component assembly
- Family meals

Chef-mate

- 18-Month on-shelf ambient storage
- Ready to eat
- Just open, heat and serve or simply open and serve
- Damage resistant #10 can steel packaging
- Unlimited versatility (use as entrée, sauce, toppers, ingredients, filling)

TRIO

- 24-Month on-shelf ambient storage
- Ready to heat — just open, pour and stir
- Specially formulated for extended hold times
- Unlimited versatility (use as sauce, ingredient, seasoning)

Stouffer's

- Time-saving, easy preparation
- Packaged in both trays and pouches
- Specially formulated for extended hold times
- On Average 18-Month frozen shelf life
- Heat & serve from frozen or thawed

MINOR'S
TRUSTED BY CHEFS

- 9 to 12-Month shelf life
- All products are ready to eat for both hot and cold applications without the added step of cooking
- Scratch-like flavor and consistency
- Versatility for options across your menu

SWEET EARTH
ENLIGHTENED FOODS

- 100% Plant Based Proteins
- 0 mg Cholesterol
- Juicy burger texture that maintains its integrity during multiple preparation methods
- Shelf-Life: 4 Days Chilled (8 Months Frozen)

Nestlé
TOLL HOUSE
ESTD 1930

- 12-18 -Month shelf life
- Frozen cookie pucks ready to bake and serve, no additional labor required
- TH Cookie Spread comes RTE (frozen or refrigerated)
- Scratch-made recipes

DIGIORNO

- 150-Day frozen shelf life
- Heat & serve from frozen or thawed
- Convenient, single-serve packaging
