

## ACTION STATIONS

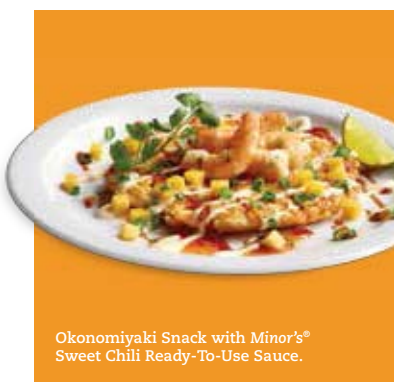

### > SNACKS WITH STOPPING POWER

Busy schedules and the constant demands of life have made snacking the norm. Wake up the snack scene with a Snack Station that plays on unexpected combinations and global flair. Keep customers on campus with inventive concepts that don't hold back on originality or flavor.

### > FLAVORS FROM AROUND THE WORLD

The ways to excite customers never end with global inspiration and a full line of flavor from Nestlé Professional. From Asian to Latin and anywhere in between, you can bring imagination to an everyday ritual.

Okonomiyaki Snack with Minor's® Sweet Chili Ready-To-Use Sauce.

### > MEET the DEMAND

- > **Variety**  
Offer a wide range of flavors, proteins, sauces, toppings and more, with portion sizes that fit customers' hunger
- > **Personalization**  
Many snack station options provide customers with the freedom to make it their own
- > **On-Trend Choices**  
Allow customers to experience a spectrum of bold flavors from the unfamiliar to twists on longtime favorites
- > **Convenience**  
Stations are easy to maintain, and keeping menus fresh simply requires changing out ingredients

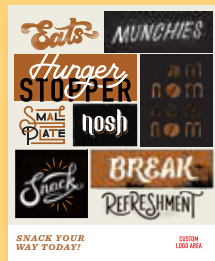

## > CUSTOMIZABLE MERCHANDISING

> Customizable merchandising is available to help support your Snack Station. To order, visit [nestleactionstations.com](http://nestleactionstations.com).

**Program Support**

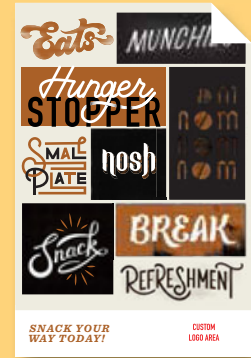

For recipes and help setting up your action station, including an order guide and planning calendar, contact a Nestlé Professional sales representative.

## > SERVE with STYLE

Rotate themed action station ideas as often as you wish with the help of the provided Nestlé Professional menu calendar. Feature one theme or many. Serve it the way it best serves you.

**Attended Display Cooking**

Fusion blinis, okonomiyaki and savory waffles can be cooked to order in front of students to enhance the experience while a variety of meats, sauces and toppings offer the freedom of customization.

## > EXCITE EVERY DAY

Inspiration is all around you. Nestlé Professional brings it to your operation with a wide range of snack station ideas that appeal to flavor seekers, comfort cravings and the health-conscious with the ability to mix and match flavor in their own way.

- > Fusion Blini
