REFRESHINGLY**SIMPLE**

Introducing a new solution that makes cold beverages refreshingly simple.

You spoke. We listened.

NESTLÉ® COOLPRO™ is the latest high-quality, hygienic system from NESTLÉ PROFESSIONAL BEVERAGES, designed specifically for the out-of-home market.

It's perfectly designed to fit your business needs, delivering consistently great-tasting and freshly chilled drinks.

And, above all, it's refreshingly simple.

-  Holds two 4L bag-in-box liquid concentrates
-  Concentrates have 14-day shelf life after opening
-  Plumbed to a water connection to dispense consistent beverages
-  Has a small footprint of only 5.4 ft², 110 lbs (without product).
-  Provides flexible dispensing options; portion control or push and hold
-  Convenient touchscreen provides low product alert and displays number of cups served
-  Doesn't need to be dismantled and manually cleaned
